

Our Service

HEART Counseling Center was established in 2013.

Our specialized counselors deal with various trauma, however, we especially focus on sexual traumas such as rape, domestic violence, male survivors, child sexual assault and sexual minority.

We also offer supervision and training for Counselors or family member (included but not limited) of survivors with these traumas.

Our Team

* Tamami Kumagai

(Representative director, Counselor)

After graduating from University in Japan, she received a M.A. in Counseling Psychology in the United States. She, as a counselor, has various experience supporting survivors of rape, domestic violence, sexual assault, sexual harassment and child abuse.

* Asako Tanaka (Assistant)

After receiving a training for Rape Crisis Center advocate in the U.S., in 2012, several volunteers and she established the Rape Crisis Center TSUBOMI, the first crisis

center in Tokyo, Japan. She, as a director or social activist, has worked with survivors of sexual trauma.
